154 schools plan to participate in Milwaukee Parental Choice Program

MADISON—One hundred fifty-four private nonsectarian and religious schools registered with the Department of Public Instruction by the Feb. 1 deadline to accept students through the Milwaukee Parental Choice Program for the 2008-09 school year. The list of participating schools includes 34 new schools that registered and completed required fiscal training.

The Milwaukee Parental Choice Program allows low-income Milwaukee students to attend participating private or religious schools located in Milwaukee with no charge for tuition. City of Milwaukee parents who wish to enroll their children in a private or religious school participating in the state's voucher program next fall should contact schools for application information.

In addition to getting student application forms directly from participating schools, parents interested in enrolling their children in the choice program can obtain student application forms by contacting the DPI (toll free) at 1-888-245-2732 (press 3) or by downloading the form from DPI's website at <http://dpi.wi.gov/sms/choice.html>.

Participating schools may only accept student applications for the choice program during the schools' open application period(s). Each school selects which open application period(s) it will accept student applications. If the number of eligible student applications received during a specified open application period exceeds choice enrollment limits at the school, the school must use a random selection
